SELF-DETERMINATION

Our holistic approach to healing enables patients to combine state-of-the-art technology with immune stimulation therapies.

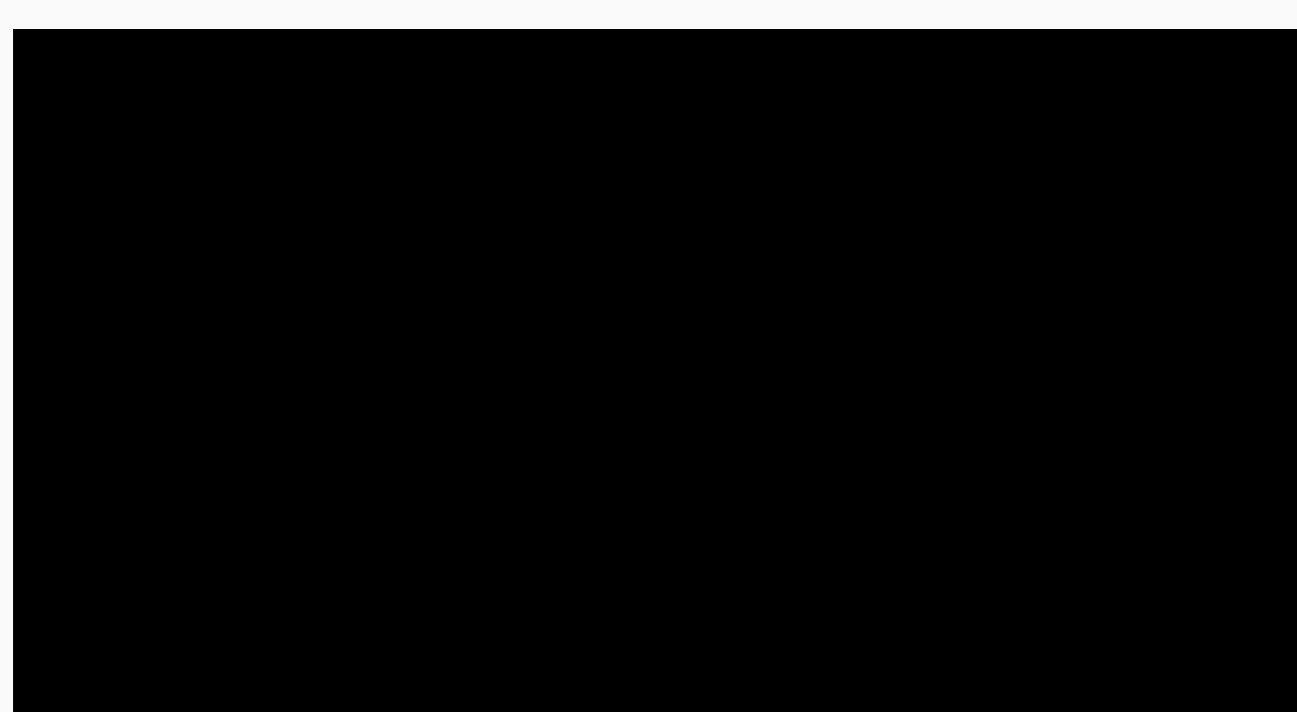

NATUROPATHY

Our regulation and regenerative therapies focus on our holistic approach to healing and maintaining a strong immune system.

HEALTH RECOVERY

Our specific therapies will help you to find your way to sustainable health. Use our therapies at home or wherever you are.

HYPERTHERMIA CENTRE HANNOVER

As a clinic with a holistic approach to healing, we focus on you as an individual. We use our mind and heart to support you.

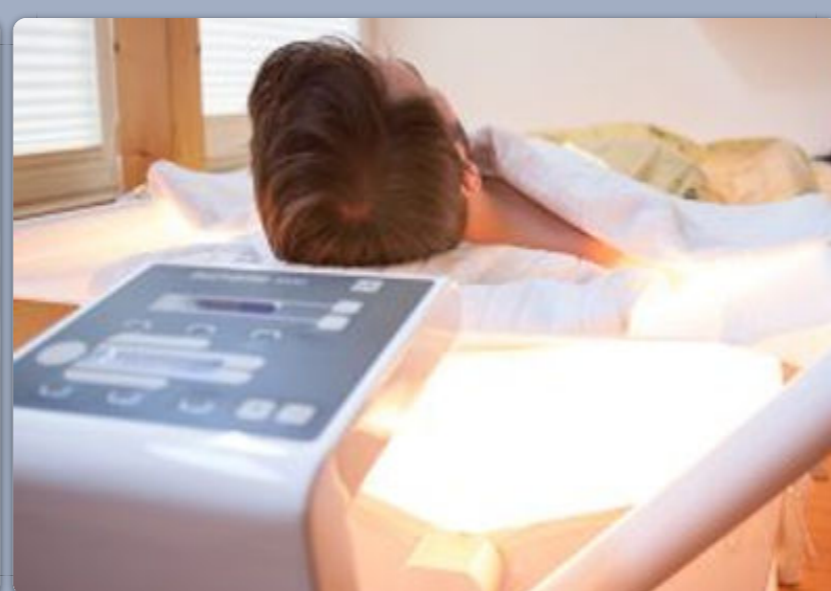

We focus on competence, clarity and creativity on your path to better health. Very often we see conventional therapies, who are no sufficient. We do offer alternative and complementary solutions.

Together we will find individually therapeutic solutions and accompany you in the therapy, while respecting your individual needs.
